

# Green Beans with Roasted Shallots and Balsamic Glaze

*From a cooking class at our house south county cooking school*

*Simple and great for the holidays*

12 ounces shallots  
1/4 cup extra virgin olive oil  
2 tablespoons balsamic vinegar  
8 ounces green beans  
salt and pepper, to taste

*Serving Ideas: This can be served hot, room temp, or cold.*

## **Servings: 6**

*These are really very easy. The beans may be cooked ahead, but bake the shallots near to the time to serve.*

1. To roast shallots: Peel the shallots and cut in 1/2 inch pieces. Place in the middle of a large piece of aluminum foil. Pour oil and vinegar over the shallots, then sprinkle with salt and pepper, tossing the shallots to coat. Fold and seal the foil, place on a large baking sheet and bake at 375° for about one hour.
2. Bring a large pot of water to a boil and add the cleaned and trimmed green beans. Cook until they are just barely done (al dente). Remove from water and plunge into cold or iced water to stop the cooking. Drain for a few minutes.
3. Open the foil and stir to loosen some of the caramelized bits on the foil, then add the green beans and stir and toss to coat the beans thoroughly. Season with additional salt or pepper as needed.
